

OneTouch Payroll™

Automates & Simplifies Your Organization's Payroll

OneTouch Payroll goes beyond your current solution by automating the functions that take your time: data integration, HR changes, benefits and G/L report. We've simplified payroll processing, with a powerful report writer and an easy-to-use interface with employee self-service and 24/7 availability.

Full-Featured Payroll

With Tax Compliance Guaranteed

OneTouch Payroll™ is available for one flat fee, per person, per month, with no hidden charges. Our dedicated payroll specialists respond quickly with the answer you need. One solution for your needs.
